

Fair Shared City Vienna - Gender Mainstreaming in Urban Planning

City of Vienna

- **Capital of Austria**
- **1.7 million inhabitants**, 23 districts
- green city, but **lack of open space** in central districts
- extensive **public transport** system
- **60%** of the people live in subsidised / social housing
- **Urban growth:** increasing population

23 Years Women's Interests in the Field of Planning

- 1991: **exhibition** „Who Does Public Space Belong to – Women's Everyday Life in the City “
- 1992: **Women's Office**
- 1998: **Co-Ordination Office** for Planning and Construction Geared to the Requirements of Daily Life and the Specific Needs of Women focus on **Gender Mainstreaming**
- 2010: restructuring of the Executive Group for Construction and Technology – **Mainstreaming of the Gender Experts**

Main Topics

- gender-sensitive housing
- gender-sensitive parks and playgrounds
- gender-sensitive mobility
- security and safety in public space
- public purpose building
- urban development

Strategy

Analysis and Research -> awareness

60 Pilot Projects -> visibility

Manuals, planning recommendations, participation in juries

-> Mainstreaming
