BEAUTY GEMS

The family-owned Beauty Gems Group is an award-winning gem and jewelry manufacturer that has grown from a small business founded in 1964 to a global firm whose reputation today is second to none. A pioneer in Thailand's gem and jewelry industry and a member of all the major international trade associations, Beauty Gems boasts clients around the globe who are attracted to high standards of quality, superior craftsmanship and competitive prices. From mass-market accessories to high-end customer pieces, Beauty Gems offers the full spectrum of gem and jewelry products. This is a one-stop subcontractor: all jewelry sourcing, design, and manufacturing needs can be completed, on time and to exact specifications, by 3,800 talented experts.

WAT PHO

In 2018, TripAdvisor named What Pho #1 Landmark in Thailand and #3 in Asia-Pacific. This 230-year-old temple was listed in UNESCO's Memory of the World as a documentary heritage for the Asia-Pacific Region in 2008. Wat Pho is where history, medical science and educational institute combine. It has a famous 46-meters Reclining Buddha. With 1,360 marble inscriptions about medical, historical, and liberal sciences place all around the temple, Wat Pho is also known as Thailand's first public university.

WAT ARUN

This temple is one of the most photograph sites in Thailand. It is located on the banks of Chao Phraya River in the area called Thonburi.

Wat Arun is a Buddhist temple that exists since 17th Century during the time of Ayutthaya Kingdom. It was named "**Temple of Dawn**" by King Taksin, who reigned over Thonburi Kingdom during 1768-1782.

ICONSIAM

ICONSIAM is a mixed-use development on the banks of the Chao Phraya River which includes one of the largest shopping malls in Asia. Since it opened in November 2018, it won several international awards including “*Best Store Design of the year 2019*” at the World Retail Awards by the World Retail Congress. In 2019, it also won the first prize in the Best Shopping Center category at the MAPIC Awards after having been recognized as the Gold Winner by International Council of Shopping Centers (ICSC) in 4 categories: Design and Developments, Business-to-Business, Grand Opening and Public Relations and Events. Its fountain show won Gold Stevie® Award in the Art, Entertainment, Entertainment & Public – Art Event. One of the must visit part of ICONSIAM is **SookSiam**. This area integrates the cultural heritage of four main geographical regions of Thailand, capturing performing art, local wisdom, food and delicacies, products, and handicraft, etc.

TRANSPORTATION

- Air Condition Buses by Nakornchai Air
